October is Breast Cancer Awareness Month and Partners is hoping that you will help us to raise funds for two charities; Breakthrough Breast Cancer and Breast Cancer Campaign. The money that we raise will help fund world-class breast cancer research, education and awareness campaigns and Parliamentary work.

Then on Friday October 31st we are having our "Dare to wear it Pink" day. **wear it pink** is the biggest and best pink day during October, Breast Cancer Awareness Month. This year, Breast Cancer Campaign is daring everyone in the UK to wear an item of pink on Friday 31

October and donate £2 each to the charity to help us beat breast cancer. It's so

simple, whether you just wear pink socks or decide to be electric pink and as daring as possible. All you need to do is wear something pink and donate £2. Who knows, the girls may even be dressed up—and you know what Terry is like! We will also be drawing the winning raffle tickets and naming our prize pink bear.

On Friday October 17th we are raising money for Breakthrough Breast Cancer and there will be great offers, raffle tickets for fantastic prizes and in the afternoon our ghd trainer is coming in to the salon with some special promotional offers and a balloon popping prize giveaway!

A Bear called...?

I am a very special bear.

I have a very warm heart (especially after you've popped me in the microwave). Cuddle me and I'll keep you snug at night, especially when it's cold.

I'm an English Bear and I'm safe for children (and grown ups) to play with. But I am a little forgetful and can't remember my name! If you can get it right you can take me home.

The best raffle yet

As usual the businesses in the Village have come up trumps once again. See the panel opposite for the complete list. Our sincere thanks go to everyone who has donated.

Each prize is drawn separately and tickets are only £1 with all money raised going to our two charities.

KISS

ghd's most sought after styler

Effortlessly on-trend in gloss 80s-vibe fuschia pink, the striking styler comes packaged with three pink ghd lip glosses to suit your every mood, Dare, Dazzle and Demure for style and gloss in one gorgeous package.

Since ghd's relationship with Breakthrough Breast Cancer began in 2004, together we have raised over £1.5 million to help support Breakthrough's vital programme of research, campaigning and education work. With £10 going to Breakthrough Breast Cancer for each pink styler sold in 2008, it's a beautiful way to help a deserving cause too.

pink ghd IV styler features:

- **New rounder barrel** so it's even easier to create perfect curls, waves or flicks, as well as the perfect straight.
- **Sleep mode** is a built in safety feature that gives you peace of mind by turning off if the ghd IV styler is left unattended for 30 minutes.
- **Now with universal voltage** for optimum performance wherever you travel.
- **Unique digital technology** means that the temperature is automatically controlled even quicker for even better styling.
- **Advanced ceramic heaters**

£135.00 Only available for a limited time

PRICE INCLUDES:

- 3 pink ghd lip glosses
 - Dare
 - Dazzle
 - Demure

breakthrough
breast cancer

In association with Breakthrough Breast Cancer

*£10 plus VAT per styler sold is paid to Breakthrough Enterprises Limited which pays all its taxable profits to Breakthrough Breast Cancer, a charity registered in England & Wales (No. 1062636) and Scotland (No. SC039058), under the Gift Aid Scheme.
